THE School of Life Foundation is an International organization. It has been formed for the purpose of facilitating and expediting the work and activities of Shri Vishwanath Keskar in America, Europe, Asia, and Latin-America. School of Life groups have been established in London, Geneva, Paris, Rotterdam, Ascona, Vienna, Washington and Los Angeles. Other branches and groups will be formed in the United States, Europe and Asia.

Endowment Activities

TO provide for the publication of "Illumination" an international monthly Journal devoted to the Enlightenment of Man.

FOR provision of the publication of the WISDOM OF LIFE SERIES of books dealing with all branches of human knowledge, for ready reference and guidance for students of the School of Life of the New Age. This work will comprise about thirty volumes.

PROVIDE for the establishment of Medico-Spiritual Health Clinics. These centers will be devoted to Medical and Scientific Research along spiritual lines. Physicians, Scientists, Psychologists, Psychoanalysts, and Spiritually minded people will utilize the facilities of these clinics in a deeply cooperative effort in the service of the larger health and healing of humanity—physical, mental, and spiritual.

ARRANGING for lectures, recitals, and radio talks at important world centers, devoted to the fine art of living—with approaches through Philosophies, Religions, Sciences, Music, Literature, and the Arts—with the purpose of aiding and stimulating a new culture and spiritual civilization.

This Foundation will endeavor to help and cooperate with Esoteric and Occult groups in America, Europe, and Asia.
