By G A B R I E L E N G E L

Published by the Roerich Museum Press
in Collaboration with
The Bruckner Society of America

THE LIFE OF ANTON BRUCKNER is the first biography in English of the great Austrian composer, the significance of whose work has only in recent years begun to be understood and appreciated.

Because of the growing popularity of Bruckner's music, the present handbook by Mr. Engel, himself an eminent violinist, composer, and close student of Bruckner, serves as an invaluable aid to the student and teacher. Here may be found a complete and impartial survey of the life and work of Bruckner, with an analysis of his significance in modern music.

THE LIFE OF ANTON BRUCKNER is an essential to the music-lover.

COMMENTS FROM THE PRESS

"A convenient and timely monograph."

—Pitts Sanborn,
New York World-Telegram.

"Mr. Engel does more than to chronicle bare facts. He gives a sympathetic study of an original and great musical personality."

—A. A. Biewend,
Phonograph Monthly Review.

"This handbook is invaluable to the program-maker or musicologist who desires to know something of the man who is said to have written the world's finest 'Te Deum'."

—Harvey Gaul,
Pittsburgh Post Gazette.

"This monograph . . . tells in an entertaining fashion its story of the composer's long struggle for recognition and makes out an impressive case for him as the true successor of Beethoven."

—Warren Storey Smith,
Boston Post.
