# ON EASTERN CROSSROADS

Along the Crossroads of Asia there are to be found superb fragments of the past—milestones which tell of the passing of Christ, of Buddha, of Appolonius, and of all other Teachers. Josephine Saint-Hilaire, after years of study and travel in the Far East, gives us in this book some of those superb hidden legends and precepts which tell of the traditions which still live among the people of Asia regarding these Great Teachers. *A unique collection—almost a new Bible of the East.*
